

OTA ADVANTAGE

NATIONAL PRESENCE, LOCAL SERVICE!

OTA provides personalized attention and unparalleled customer service! We will meet your specific needs through an individual approach.

THE RIGHT EQUIPMENT AT THE BEST PRICE!

OTA realizes the operating costs for compression applications. Our team will work one on one with you to meet your specifications and budget.

CUTTING-EDGE TECHNOLOGY!

OTA provides innovative design concepts that allow for a wide-range of operational capabilities.

YOUR VAPOR RECOVERY SOLUTIONS COMPANY!

OTA can test your facility for vapor loss to help you decide the best method to manage the emitted VOC's. The value of the gas you are emitting will decide what solution method you choose to obtain compliance. With a line of vapor recovery units and flares, OTA will provide the best solution for re-claiming your vapor.
